Raleigh, N. C., March 1, 1872.

HALF SHEET.—Owing to the sickness of one of our printers, we are unable to get out a full sheet this week, but we hope this will not occur again soon, and that our friends will not fret about it this time.

THE ERA—THE PIONEER.

We notice by an advertisement from Gen. G. H. Williams, U. S. Atty. General, and also one from Hon. G. W. Brooks, District Judge of North Carolina, that the "publication of the treaties, laws &c., of the United States" are given to the *Carolina Era* in place of the *Asheville Pioneer*.

We can not see why this change has been made, because the laws &c., were also to be published in the New-Berne *Daily Times*, and the publication in either of those papers would have served all that part of the State. As it now stands, thousands of people from Wake to Cherokee will never see a publication of any law or treaty, unless some kind hearted editor in the West shall copy.

The Clerk of the House of Representatives who made the change certainly could not have understood the location of these papers or he would not have made the change, by the by, perhaps the *Era*, needed a little more *grease*,

☞ The prospects at present indicate a good fruit year.

THE POST, THE ERA.

In the *Era* of the 12th inst., appears a piece taken from the Wilmington *Post* headed—"To the University Trustees," upon which the *Era* attempts to give the *Post* rather a severe castigation.

The *Post* says, that "the proposition to the Republican Trustees of the University to resign, in order that Democratic Trustees may be elected in their place, is cool, very cool." And also says: "The Republican Trustees must not resign."

It is a little remarkable that the *Era* has not *denied* the charge made by the *Post*, "that Democratic Trustees may be elected." The *Era* seems to understand fully "the character of the proposition made to the Trustees of the University." And says "it is indisputable that it *originated* with Republicans." And afterwards says that "their sole aim was to take the University *out of the hands of political parties.*" Will the *Era* be so kind as to inform the dear people for whom it *seems* to have so much love, where the University will be put when it is taken "*out of the hands of political parties.*" Yes, take it out of the hands of of *Republican* Trustees, ergo, "*out of the hands of political parties.*" And put it where, echo, answers where, do pray tell us Mr. *Era*. Those who live in glass houses should not throw stones. The *Era*, in alluding to the "gentleman of the Republican party," who favored "the proposition" asks the question "must they yield to the dictation of a *master*?" Pray, "Upon what meat doth our Cæsar feed, that he hath grown so great." Listen, "And furthermore, *this Journal*, the organ of the Republican party in North Carolina, fully endorsed and commended the Scheme." *Mirabile dictu!* the *Era*, the organ of the Republican party in North Carolina!!! Some of the *highest* officials in and around the City of Oaks has said that it was a *perfect failure*, but still, it has been kept *greased* and *running*.

Not satisfied with giving the *Post* a raking, you bounce upon the Hon. John Pool and his brother, two of North Carolina's distinguished sons, and against whom nothing has been said before, except by the Kuklux and their allies, for instance, the *Southern Home*. What do you mean, did you read the piece in the *Southern Home* of the 4th inst., slandering and abusing the Hon. John Pool, and comparing him to Henry Berry Lowery, before you penned your article? If you did, perhaps there was where you caught the idea.

You can't injure John Pool nor Solomon Pool, neither can you make *true* Republicans believe that *they* are unfit to manage the State institutions and give them up to the Ku Klux Democracy, the handwriting has been seen upon the wall for sometime, and it is well enough for you to understand that you and all your cohorts cannot control the true Republicans of the State.

Since Col. Erwin left the *Era* it has been a by word that the party was being seriously injured by its course, still it has been continued, which shows the great folly of those who control it. We tell you and your *direct* adherents that within the last three months you have injured the Republican party in North Carolina thousands of votes, and that *you will not be followed under any circumstances whatever*. All your licks have been aimed at those who have risked their all for their country, and their party, and you are incessantly lauding some *new light* to the skies. Paddle on, but watch your landing.

A FIT REPRESENTATIVE.—The papers are mistaken in saying that john pool pledged himself to Gov. Vance *before* his (Vance's) election, to get his disabilities removed. But *after* the election, when the Governor was in Washington, john did make himself very active in his behalf and was profuse in his pledges, and then went off and voted against amnesty.

It is not supposed that Pool made pledges especially to enjoy the betroyal of them, but simply from the innate meanness of his loyal soul. Next to Henry Berry Lowery, he is the best represntative of his party in the State.—*Southern Home.*

In the above base and malignant attack on Senator Pool, we are authorized to say, there are two falsehoods, both known to the editor who penned them.

The Senator never made any pledge of any kind, to Gov. Vance, as the Governor will say himself to any one who may ask him. And in the second place, the Senator did not vote against amnesty, nor against any individual who has applied to be relieved, as the records of the Senate, and all the Republican papers of the State will show. He has made several speeches, in which his position has been distinctly statted, and which have been published all over the State.

The sole object of the leaders of the Democratic party, and especially the press, seems to be to slander and vilify all who may differ with them politically, and no matter how well a man belonging to the Republican party and being in a public position, may demean himself, he is the subject of all the billingsgate and slang common to the *black tongue* Democracy. This is done with a view to injuring his political influence, and the more honerable and patriotic his course, the more slander and abuse is thought necessary to break down his influence, hence it is that the best men in the Republican party, are the most abused and slandered.

No man in North Carolina has labored more faithfully for the advancement of the interests of his country and his fellow citizens, than Senator Pool, hence the efforts of the ku klux Democracy to break him down, but their efforts will all be in vain. Senator Pool is a true son of the Old North State, and his constituents honor and respect him for his manly course, and all the efforts of the *ku klux* to break him down, only make the people respect him the more.

☞ Troop C. 7th U. S. Cavalry, which has been quartered at this place since June last, left on last Tuesday for Lincolnton. We regreted very much to give up Col. Hart and his command, but when Uncle Sam bids them go, there is no use in talking, so we can only wish them well, and hope that they may have pleasant quarters where'er they may go.

OUR FIRESIDE FRIEND.—The new weekly illustrated, literary and family paper recently started in Chicago, is, we are gratified to know, meeting with great favor and extraordinary success. The publishers, Messrs. Waters, Eberts & Co., evidently understand the conditions upon which success in such an enterprise depends, and these are not wanting. The paper is already established. Its fine illustrations, artistic appearance, attractive make-up, together with the variety and excellence of its contents, at once recommend it to popular favor. We are assured that the substantial aid and encouragement already given to the enterprise guarantees its success in every particular. There is no good reason to doubt the success of such an enterprise in the west. A first-class paper, business capacity and experience, ample capital, energy and pluck, are all that is necessary; these this new and popular weekly already possess. We predict for it a brilliant and prosperous career. —*Postal Record.*

Mode, Esq., requested to act as Secretary. The meeting unanimously endorsed the resolutions of the Asheville meeting of January 8th, and appointed Eli Whisnant, P. N. ☞ Dead men tell no tales: if they did, anathemas against the depleting lancet, the drastic purge, and the terrible salivants of the materia medica, would arise from every graveyard. The motto of modern medical science is "*Preserve and Regulate, not destroy*," and no remedy of our day is so entirely in harmony with this philanthropic logic as DR. WALKER'S VEGETABLE VINEGAR BITTERS. In this powerful, yet harmless restorative, dyspepsia, bilious complaints, and all deseases of the stomach, liver, bowels and nerves, encounter an irresistible antidote. 4w

THE DIFFERENCE.

When its officials commit fraud, the Radical party attempts to deny, palliate or excuse the crime. Investigation is resisted and exposure prevented if possible. * * *

On the contrary, when Democrats suspect fraud in their party members, they are the first to discover and ferret out the rogues.—*Ral. News.*

The above is so much at variance with facts and bears so much of known falseness on its very face, that it places the writer in a ridiculous—ludicrous position before the public.

We unhesitatingly denounce as basely false the Democratic mere assertions, (for they never give any proof) that "the Republican party attempts to deny, palliate or excuse the frauds of its officials or its members." We challenge the entire Democratic Klan to produce a solitary instance, with evidence, in which this has been the case. On the other hand, the Republican party has arraigned *every* criminal at the bar of justice, and punished them as their crimes deserved. We challenge the *News* and the host of the Democratic apologizers for and shielders of fraud and crime, to refute this statement with evidence.

Nor is the attempt of the *News* to gloss over Democratic acts, any less false. When and where were Democrats "the first to discover and ferret out the rogues in Democratic ranks?" The statement concerning the New York thefts, to say the least, is a stretch of the blanket. Then how about Jo Turner's little "overdrawing?" How about the investigation and expulsion of Kuklux members of the Legislature? How about the Rotten-fish Penitentiary Directory and its disgraceful swindles? How about the bid for perjury? How about John Graham's universal reprieve for Kuklux? How about the repeal of the Republican act against masked and disguised marauders and assassins?

Neither the *News*, nor its Democratic, fraud-glossing, crime-shielding, corruption-apologizing Kuklux allies, will ever answer the above questions, but the people, the all-powerful sovereigns will. There can be no doubt as to what that answer will be. False assertions, without any proof, will be proven false and the people will scorn the disseminators of the falsehoods. Nor will bolstering-up and smoothing-over be of any more avail. The masks and covers will be torn off, and the not very huge mass of Democracy, reeking with corruption and black with crime, will be laid bare to popular vision and for popular scrutiny There can be no doubt, the popular verdict will scatter to the four winds of heaven, the proof-less assertions of these Ku Klux Democratic apologizers for fraud, corruption, inhumanity and crime.—*National Republican.*

The great Republican party of this nation is founded upon principles that are immutable—eternal. It was organized for a grand and noble purpose—to carry the Republic sately through the severest ordeal ever a goverment experienced, and it has done so. The Declaration of independance and the Constitution of the United States being the important planks of its platform, it is broad enough, and wide enough aye, and *strong* enough, for every patriot citizen to stand upon. And while here and there a "traitor to the cause" steps aside another drops in and the ranks and lines are fuller to day than ever before. The stragglers will not be missed. Their places are being filled by better men—by men of good impulses and honest purposes who, as the needle is attracted to the pole, are being drawn into the party around which are clustering all the sympathies of the oppressed and all the judgment of the wise and good.—*North Carolinan.*

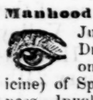
What Dyspepsia May End In.

Indigestion is not dangerous, say the faculty. Perhaps not in itself, while it remains mere indigestion; but look at the consequences to which it may lead, and often does lead when it becomes a chronic disease. A spark of fire is a small thing. A pressure of the foot will put it out; a breath will extinguish it. Yet it may fire a powder mill, or kindle a flame that will consume a city. In like manner indigestion may produce gastritis, cancer of the stomach, congestion of the bowels, apoplexy, liver disease, and many other dangerous maladies. Is it not wiso, then, to check it in the germ? Nothing is more clearly and indisputably established than that Hostetter's Stomach Bitters will eradicate dyspepsia in all its stages. The true policy, however, is to extinguish it in the first stages with this wholesome, powerful, and infallible tonic and alterative. It is easier to quench a spark than a flame, and it is easier to cure dyspepsia when it is first developed, than when it has made headway by neglect, and become complicated with other ailments.—There is not the shadow of a doubt that the bitters are as directly antagonistic to dyspepsia as water is to fire. There are thousands of cases on record proving this fact. The remedy is safe and agreeable. All the liquors of commerce prescribed as stimulants leave a sting behind. But the sting is taken out of the spirituous basis of this great remedy by vegetable medication, and, moreover, the stimulant thus medicated is of exceptional purity. Of all tonics taken as safeguards or remedies for fever and ague, bilious remittents, and other epidemics, it is the only one that can uniformly be depended on. [mar

Manhood: How Lost, How Restored



Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa, or Seminal Weakness. Involuntary Seminal Losses, Impotency Mental and Physical Incapacity, Impediments to Marriage, etc; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid on receipt of six cents or two post stamps.

Also, Dr. Culverwell's "Marriage Guide," price 25 cents.

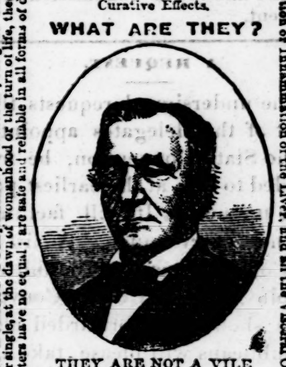
The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?



THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.
